

## **Is homework always a hassle at your house? Do you spend more time arguing about homework than actually doing it?**

St. Francis Xavier's After School Homework Session may be just what your child needs. Here's how the program works:

- \*The program is held from the time the students are dismissed until 4:00, Monday-Thursday. Students are required to stay until 4:00, unless parents contact the supervisors to make other arrangements.

- \* Parents register their child(ren) a week in advance for any or all of the days.

- \* The program does not operate on non-school or early dismissal days.

- \* Parents are responsible for picking up their child(ren) by 4:05. Any child not picked up by then will be taken to the After School Program and charged according to the ASP guidelines.

- \* A teacher supervises the program and is available to assist, however, this is not a tutoring program where lessons are taught.

- \*The cost per homework session will be \$6.50.

The students who participate are usually Grade 2 or above, but special exceptions can be made.

If this is something you would be interested in for your child(ren), please contact either Ms. Donovan or Ms. Vorwald.

Thank you.
